Dear Charing Cross Residents,

Based on the weather forecast, it's possible that our trash company may not run or finish routes tomorrow on Saturday, if road conditions are bad, to complete this week's 2<sup>nd</sup> trash service. As you know, this week's service is already on a delay due to Tuesday's snow event.

If weather prevents our Saturday trash service from being completed, please remove all trash from the curb and place out on the next regular collection day. Trash containers should also be removed to ensure containers don't impede snow removal operations.

Unfortunately, the association has no idea if tomorrow's trash service will end up being affected, and we will not be able to notify anyone if that occurs.

Thanks for everyone's cooperation.

Sincerely,

Board of Directors
